Dear Vendor Partner:

As you know, Macy's is rapidly evolving into a seamless omnichannel retailer that provides customers what they want, when they want it and how they want it. This requires us to change some of our processes and systems - both internally and in the manner in which we exchange documents with our vendors.

We would like to invite you to attend one of the information sessions listed below to learn more about these changes. We are excited to continue to build on our mutual success as our omnichannel practices evolve and we develop new ways to better serve the customers of today and tomorrow.

Thank you for your continued partnership.
