Distribution Center Network Changes

Effective for Ready to Ship dates of 1/26/2026 and After

Please distribute immediately to EDI, Traffic/Shipping Facility Management and all applicable contacts.

In our continuing effort to realize efficiencies within our Distribution Center network, Macy's supply chain is making the following changes for all shipments with **Ready to Ship Dates of 1/26/2026 and after:**

- **ALL shipments previously routed to the South Windsor, Connecticut Distribution Center must be routed to the Secaucus, New Jersey Distribution Center. This includes shipments for Macy's, Bloomingdale's, and Bloomingdale's Outlet.**
- **As previously announced, Macy's Backstage must be routed to the Columbus, Ohio Distribution Center.**
- **Macy's supply chain has added a new Distribution Center in Burlington, New Jersey.**
- **Some stores previously serviced by the Secaucus, New Jersey Distribution Center will now be serviced by the Joppa, Maryland Distribution Center.**

Please see the [Store to DC Listing for Small Ticket Merchandise](#) for all details related to these changes and ensure that all shipments are being sent to the correct Distribution Center.

Questions may be addressed to your Macy's Transportation representative.
