Notice to Macy's Trading Partners--Reminder

China Grove Customer Fulfillment Center

Please immediately distribute to the Traffic/Shipping Manager and EDI Department Manager.

In our continuing effort to support the Omnichannel and service initiatives, Macy's Supply Chain previously announced a new Customer Fulfillment Center in China Grove, North Carolina. This fulfillment center will begin operations for the Macy's division on June 30, 2025.

Purchase orders with InDC dates of June 2, 2025, or later may contain the China Grove location. Please ensure that your systems are updated to accept this new location no later than May 1, 2025. Failure to make updates prior to that date may result in delayed receipts. China Grove will be added as a Ship to Address in MacysNet Shipment Request on June 11, 2025, for shipments with a ready to ship date (RTS) on or after June 16, 2025.

Required small ticket vendor actions:

- Update vendor systems no later than May 1, 2025, to ensure that the location is set up prior to POs being transmitted.
- Review the Poolstock/Fulfillment Locations on the Macy's tab of the [Store to DC Listing for Small Ticket Merchandise](#) (requires MacysNet sign in) for DC address and associated location numbers (**0803¹ & 0818**).
- Ensure ASNs and invoices reflect the correct DC code (CG).

¹Location 0803 was an inactive location but is now being used for our new China Grove facility. It is imperative that systems are updated with appropriate Store to DC mapping and addresses every time the Store to DC listings are published.
