Attention: Vendor Direct Fulfillment (VDF) Business Partners

Macy's/Bloomingdale's Vendor Direct Fulfillment (VDF) purchase order numbers will be increasing in length over the next several months. This purchase order number, transmitted in the BEG segment in the EDI 850 purchase order, is currently 7 digits but will be transitioning up to 11 digits. It is imperative that the corresponding modifications be made in your systems to facilitate this change in ALL affected EDI documents by April 1, 2019. This includes the EDI 850 Purchase Order, EDI 856 Advance Shipment Notice, EDI 810 Invoice and EDI 820 Check Remittance.

Thank you for your continued partnership and if you have any questions, please contact your EDI Analyst at 513-782-1222.
